Sweet Treats at the Shelter

July 3rd was one of the busiest days at the shelter in a hot minute! From out of state VIP guest shopping in our store-Fido's Closet, Marvel's meet and greet, several folks stopping in to see the dogs, AND a very special delivery of goodies for both the pups and staff, we were tired BUT OH SO BLESSED!! Thank You, Alika and Isabelle, for coming out and showering us with treats! Nequai's Nibbles is THE BEST!

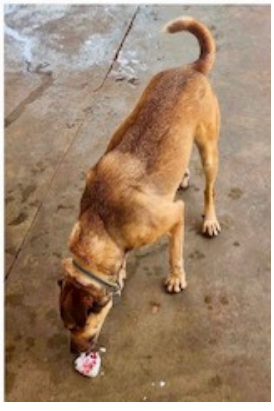

Marvel, Ozzy, and Miles loved the festive July 4th yogurt and berry frozen goodies!

Save A Pet Answers the Call to Help Dotsy

Save A Pet was recently called to help with an abandoned dog by Lamar County Animal Services. The following is a post from their Facebook page.

A Rescue Worth Its Weight in Gold 💛

Some stories remind us why partnerships matter. This sweet Goldendoodle, Dorothy, was found abandoned near Interstate 75 on a dead-end dirt road, left beside a wooded area with nothing more than a wire crate, a tarp, and a few empty bowls. Someone had simply walked away.

When our Animal Control Officers arrived, they found a dog that had clearly lost all trust in people. Frightened and defensive, Dorothy guarded what little she had left and refused every attempt to safely approach her. After exhausting every option, officers deployed a humane live trap, successfully bringing her to safety. But her journey was far from over.

At the shelter, Dorothy remained fearful and unsure of the world around her. Day after day, our staff worked patiently to earn her trust. Through quiet persistence, kindness, and compassion—especially from our Kennel Technician—Dorothy took an incredible first step. Several days later, she allowed herself to be leashed and taken on her very first walk. It was a moment many of us weren't sure we would ever see.

Knowing Dorothy would need continued rehabilitation, grooming, and socialization, we reached out to a rescue that has never been afraid to take on the hard cases. Save A Pet Forsyth Ga answered the call. Their willingness to step in gives Dorothy the opportunity to heal, learn to trust again, and ultimately find the loving home she has always deserved. We are incredibly grateful for their partnership and for the work they do every single day.

Rescue organizations are an essential part of animal welfare. Shelters like ours are designed to provide temporary safety, but it is our rescue partners who often make the impossible possible by giving animals with special needs, medical challenges, or behavioral hurdles a second chance at life. To everyone at Save A Pet, thank you for believing in Dorothy. We can't wait to watch her next chapter unfold. ❤️🐾

Dotsy's Story Continues!

After answering the call from Lamar County Animal Services to help with Dotsy aka Dorothy, who was abandoned with empty bowls and a tarp, we are so thrilled to see her transformation. We cannot thank Pet Grooming By Chandler LLC enough for taking such great care of this new baby! Much to our surprise, Dotsy tolerated her grooming pretty well and didn't require any medication or sedation. She allowed Chandler to give her a fresh cut and essentially a fresh start on the rest/best of her life!

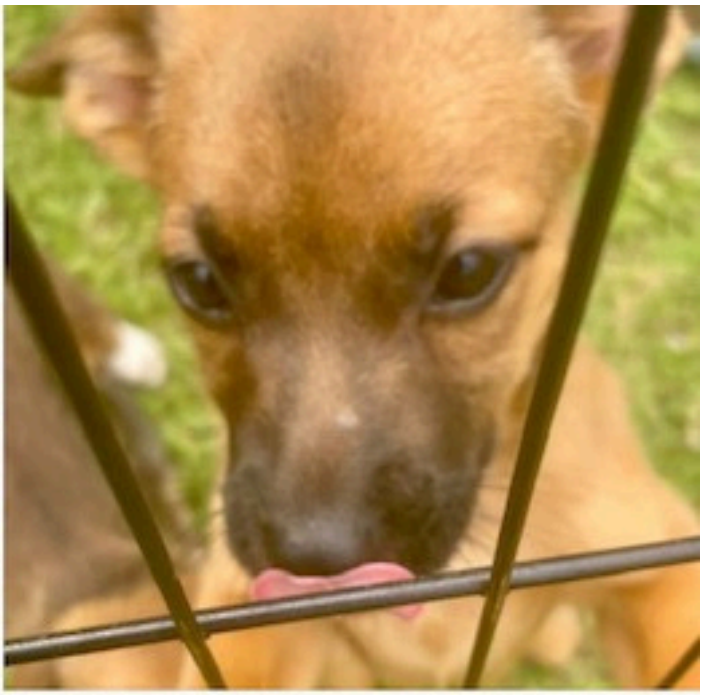

This amazing girl is doing wonderful on her trial-adoption with her new mom! Mom said there were a few "crazy moments" on the journey home but said she rode so well for the 2 plus hour drive. Dotsy is already enrolled in doggie day care and enjoys playing with new friends while mom is at work. She's sleeping through the night and doing great with going potty outside! She's come such a long way in a short time! Thank you, Lamar County Animal Services, for saving this baby from the side of the road in the sad shape she was in! Thank you Pet Grooming By Chandler LLC, for getting her all cleaned up with a fresh cut! Thank you, Charlotte, for giving sweet Dotsy a fresh start at a new life- one with love and stability and never having to worry about not being groomed and cared for properly with Leah's Mobile In Home Dog Grooming LLC in the family! This is a true case of it "taking a village" 🐾🙏🏽🩷

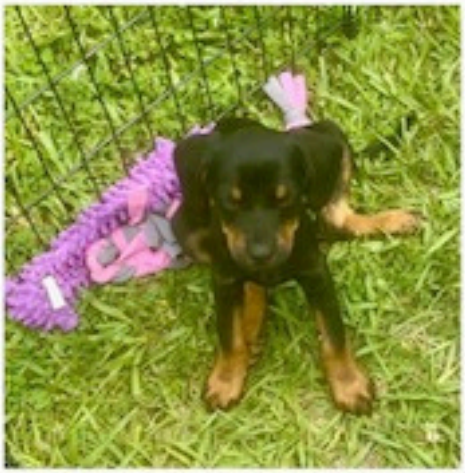

Monroe County Library Hosts SAP Dogs

THe SAP dogs enjoyed a meet and greet adoption event at the Monroe County Library on June 25th. Although there were no adoptions, they sure were happy to be out of the shelter for a few hours!

The Adventures of Miles Continue...

The adventures of Miles! 💚💚💚

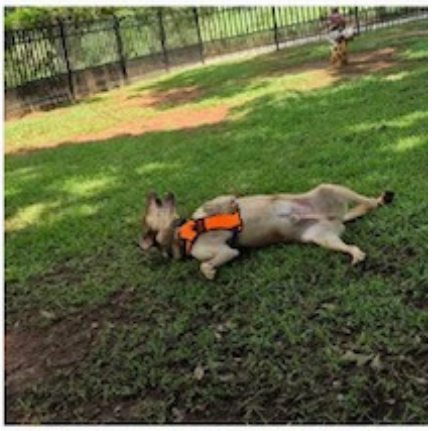

Miss Rebekah took Miles on another trip away from the shelter this week. Volunteers and staff spend time with each dog to help socialize them and prepare them for adoption.

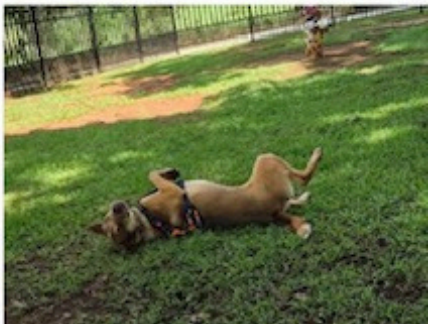

"We walked the trails for a bit and he had fun sniffing around the fenced-in area. I think his favorite part about the trip was the car ride, he had his face out the window the whole time! ☺️"

She also noted that he is getting more comfortable when passing strangers and he even got to watch some kids play at the splash park!
