GBI Special Agent Class Chooses SAP for Community Service Project

It was truly inspiring to collaborate with the GBI Special Agent Class on their community service project, witnessing firsthand their unwavering commitment to lending a hand. As they showered our pups with affection and took on tasks with enthusiasm, their selflessness and teamwork left a lasting impression. Their eagerness to make a difference was evident in every task, no matter how big or small!

We are very grateful for the time they chose to spend with Save A Pet and look forward to the possibility of future projects! Thank You again for choosing Save A Pet! 🐶🐾❤️

Local Student Organizes Donation Drive for SAP

We were delighted to receive donations from Avery, a kind-hearted young lady, on a recent Saturday. Avery's mother reached out to us, informing that she had chosen to collect local donations for Save A Pet as part of her FFA's Supervised Agricultural Experience project. Among the donations we received were new kiddie pools, lots of much needed training treats, dog food, and some very nice tough chew toys! 🤩🐶

It's heartwarming to see such thoughtfulness towards our dogs and their needs.
Thank you, Avery. 🐾💜🐾💜

Bekah gave them a shelter tour and volunteer paperwork so Avery can come back out and volunteer soon!

Kitty Needs New Home

Lexy's owner has passed away and she needs to find a new loving home. She is short haired, two to three years old. She is a petite girl who has not been around a lot of people but once she gets to know you she warms up and is really sweet.

She is an indoor kitty only.

She is not up to date on shots, so will need a trip to the vet. She has not been spayed but Save A Pet will pay to have her spayed at Dr. Giles DVM or Fix A Pet. For more info on spaying, contact Pat at 478-993-7085.

For more information on Lexy, contact Kathy at 478-256-2615.
