# SAP Shelter Celebrates 10th Anniversary

We are so appreciative and thankful to everyone who contributed to the planning and construction of the SAP shelter ten years ago! Having our own permanent space and shelter has been a great help to our mission of saving homeless and abused dogs. So many volunteers, donors, businesses, foundations, community groups and more made it possible for the shelter to become a reality. We look forward to many more years of helping homeless and abused dogs find their forever home.

Remembering the shelter construction of ten years ago!

# SAP Success Story - Honey

**It was so good to see Honey again, adopted from Save A Pet in 2020 by Pete and Mary Lynn McCafferty. Honey was found abandoned in a local trailer park and was very fearful when she was first rescued by Save A Pet. She is now thriving and involved in AKC competition training, earning multiple certificates, including Companion Dog (2021), Companion Dog Excellent (2022), Utility Dog (2023) and Utility Dog Excellent (2024). See her latest certificate below.**

**We are so thankful to hear that Honey continues to enjoy her forever home and we especially appreciate the generosity of the McCaffertys, who brought yummy dog treats and food for the SAP dogs in their latest visit. You can read more of Honey's story at https://saveapetinc.org/success-stories.**

# Kadie Belle Needs a Forever Home

**Silly Little Kadie Belle is getting quite used to being the "shelter helper" during the daily cleaning... it's helping her come out of her shell quite a bit! Ms Brittany said she may have created a little diva who is starting to think she runs the place!**

**Kadie Belle has been with us since the end of May, rescued with two other dogs from a terrible hoarding case in a neighboring county.  She is about a year old. She is people and dog friendly, but shy. We would love to see her in a home with another confident pup to help show her how to be a "real dog" and to relax and enjoy life!**

# Dwight Needs a Forever Home

**Dwight is just an absolute sweetheart! He looooves to be loved. He literally "melts" when given pets!**

**He isn't a fan of the kennels or crate training, but he is definitely house trained and never makes a mess in his kennel!**

**Dwight gets along with all the dogs he meets! He would make an amazing addition to just about any family/home. He is about 1.5 years old and weighs around 40 pounds.**

**Please come meet this sweet boy! You will love him!**

# SAP Success Story: Libby (aka Fiona)

That face says it all! 💜 Sweet little Libby (formerly Fiona- pulled from Monroe County Animal Services at the end of January) was adopted back in April and she is living her best life these days! Her mom sent this picture, saying, "She's not spoiled. lol".
She may be a little bit spoiled, but we prefer to say SHE IS LOVED!!! 🥰🥰🥰

# Thanks for the Cozy Beds!

Sweet Emma Sue on her nice new bed!! 💜 (after eating a yummy treat- hence her tongue showing!!) Thank You, Robert and Sherry Garza for donating 4 cozy dog beds and several new blankets to our pups!! Your thoughtfulness and generosity are so appreciated!
